Offers another delightful campus!

IMPORTANT NOTICE ABOUT NEW LOCATION

Dear Parent,

We have been receiving confirmation from most parents, who are happy to move to the new location. Hence we have decided to shift the entire Pre Primary section. There will be a shuttle service from Golden Arch (current location) to the new location (Sector 6). Parents who wish for a shuttle service for their children, should confirm at office by 17th August.

We are glad to announce that the new location will start functioning from August 19th, Monday, as mentioned earlier. All parents are welcome for the open house to be held on August 17th, Saturday. Please come with your children to experience the new and exclusive setup of the Pre Primary.
